Also, looping in the OPA team. Might be worth having a press statement in the hopper refuting a lot of what we know is going to come out of the hearing for release right before it begins or immediately afterwards.

I'm presuming they would want us to have something—the scope is looking pretty broad. Aaron can provide further details-looping him in.

So far I'm hearing it will be:  
Teachers union- PCBs, lead in schools  
Firefighters- PFOA  
UAW-framework rules  
Academics (likely David Michaels)  
United Farmworkers- pesticides

My understanding is that they don't intend to invite EPA.
